

Simcoe and District Humane Society is still helping the animals

However, most of our work will be done virtually.

We will only have 1 volunteer in the shelter at a time and the public will not be able to enter until further notice.

Visit www.SimcoeDHumane.ca for more information

Intake of Strays, surrenders, abandoned, etc will still be individually assessed. Urgent requests will be done by appointment through the internet www.SimcoeDHumane.ca or phone **519-428-9161 for emergency press 2**

All Adoptions will be “foster-to-adopt” with a minimum 2-week foster timeline.

Because we are “virtual”, and you are choosing your pet online we want to make sure everything “fits”
